Knobstone Trail, Thru Hiked – Feb 16-18, 2020

I filmed my trip and made a short video of it here: <https://www.youtube.com/watch?v=ZyBSlfeXIJw> Going in February was wonderful. It was unseasonably warm and there was plenty of water along the way. I often carried just 1L of water and filled up anytime I came across a stream. A great trail for sure!
