A rugged point-to-point 50 miler along Indiana's longest footpath, the Knobstone Trail. The KT is often described as one of the most challenging trails in the state and commonly referred to as "The Little AT" due to its steep, hilly landscape, reminiscent of the Appalachian Mountains.

The course travels Northward from Deam Lake State Park to Delaney Creek Park, accumulating roughly 10,000ft of elevation gain throughout. Join us on this scenic backcountry journey of steep climbs, sweeping vistas, and beautiful forested landscapes!

Part of the proceeds from this race will go to the [Knobstone Hiking Trail Association](#) (KHTA) to promote the maintenance, preservation, and development of the KT. The KHTA is helping to publicize and recruit volunteers for this event.
